Non-compliant Amendment

The Office Action indicates that the amendments to the claims submitted by Applicant in a Response dated October 12, 2006 are not in compliance with 37 CFR 1.121(c)(2). The Office Action specifically points to claims 14 and 20 as not including the proper markings to reflect the indicated changes. Applicant has corrected the markings of the amended claims to comply with the Office Action and 37 CFR 1.121(c)(2), and is resubmitting the amendment in accordance with the Office Action. It is Applicant's belief that the current amendment fully addresses the Office Action's objection.
